**BGPC**  
**SANGRUR**

Approved by AICTE & Punjab Govt.  
Affiliated to PSBTE & IT, Chandigarh

## Our Functionaries

**S. H. S. Jawandha**  
Chairman  
Bhai Gurdas Group of Institutions

**Er. Yogesh Chhabra**  
Principal  
Bhai Gurdas Polytechnic College

## Our Vision

**To achieve academic excellence through quality & value based technical education in order to nurture the young minds for the industry & society simultaneously.**

### Why BGPC ?

BGPC has diligent faculty with superb teaching skills, excellent credentials and qualification to meet the demands of professional courses.

The college provides the students with well equipped labs, ventilated rooms and hi-tech library.

### Eligibility Criteria

Admission through Joint Entrance Test (JET) as conducted by Punjab State Board of Technical Education & Industrial Training, Chandigarh.

The minimum qualification is matric pass in Science, Mathematics & English.

ITI, +2 Non-Medical & +2 Vocational Course pass students can get direct admission in IInd year.

JET Test is mandatory for students to get admission through counselling as well as Management quota.

### Admission Procedure

JET is conducted by PSBTE in the month of April / May every year for screening candidates for admission to various diploma courses being run in institutions affiliated to the Board. Few seats in Management Quota are also available.

### Scholarships

Scholarships are provided to the meritorious and economically weaker students. Tuition fee concession is given under the 'Tuition-Fee Waiver Scheme'.

**\*Fee as per PSBTE & IT norms**

## Course Offered

Civil Engineering	Computer Engineering	Electrical Engineering	Electronics & Comm. Engg.	Electronics & Telecom Engg.	Information Technology	Mechanical Engineering
60	120	60	60	60	60	120

### Department of Applied Sciences

The department of Applied Sciences caters to the needs of first year students, who require a base of Physics, Chemistry, Mathematics and Communication Skills for the diploma course. The Department has well qualified professionals and labs with modern amenities:

- Applied Chemistry Lab
- Applied Physics Lab
- English and Communication Skills Lab

### Department of ETE & ECE

The dept of ETE & ECE prepare the students for the challenges in changing trends of global communication and telecommunication. The faculty with technical acumen trains the students in the following labs:

- Troubleshooting & Project Lab
- Microprocessor and PLC Lab
- Digital Electronics Lab
- Communication Lab
- Microwave Lab
- OFC Lab
- PCB Lab
- Power Electronics Lab
- Instrumentation Lab
- NFTL Labs
- EDC Lab

### Department of Computer Engg. and Information Technology

The labs are fully air conditioned, with 350 branded computers with radio link internet facility, to provide each student with individual practical training. The computers are connected with online UPS. The faculty members are postgraduate and experienced. The department has following labs :

- Hard ware Lab
- Programming Lab
- Software Lab
- Internet Lab

### Department of Mechanical Engg.

Mechanical Engg. fulfills the basic need of every industry and armed services. The students are trained in labs and workshops with the help of experienced instructors and hardworking lecturers. The practical and job oriented training is provided in:

- Machine shop
- Foundry Shop
- Fluid Mechanics Lab
- Thermodynamics Lab
- Strength of material Lab
- Material Science

### Department of Electrical Engg.

The department with dedicated faculty helps the students in learning the basic requirements of producing and distributing electrical power and instrumentation application. The dept has following labs:

- Basic Electrical Lab
- Electrical Machine Lab
- Elements of Electrical and Electronics Lab
- Electrical Measurement & Instrument Lab

### Department of Civil Engg.

The department is designed to acquaint the students with modern trends in construction and design. The well qualified and trained faculty helps the students in their exposure to various construction sites. The department has following labs :

- Survey Lab
- Fluid Mechanics Lab
- Building Construction Lab
- Water Supply Lab
- CM Lab

## Amenities

### Library

The institute has a fully air-conditioned central library. It has a separate Reference Section and Reading Hall. The Conference Hall in the library provides a platform for the conferences and seminars. The multi-storied SUKHAM MEMORIAL CENTRAL LIBRARY subscribes to various national and international journals, magazines and books related to technical fields, Applied Sciences and other general subjects.

### Hostel Facilities

The institute has a separate hostel for boys and girls. The hostel accommodates 250 girls and 450 boys. Hostel also includes the features like Television Halls, Desert Coolers, Uninterrupted Power & Water Supply, Bank services, Security Arrangements, Medical Facilities, STD / ISD & Stationery Shop within the campus.

### Transportation

A fleet of more than 40 college buses is available from Sangrur, Barnala, Tapah, Patiala, Samana, Patran, Dirba, Nabha, Amargarh, Dhuri, Malerkotla, Ahmedgarh, Sunam, Bhikhi, Budhlada, Lehragaga, Baretta & Longowal for day scholars.

### Canteen

The college has a spacious canteen that provides students with a vast variety of hygienic and tasty food at reasonable prices.

## Student Testimonials

### Manish Kumar ETE 6th

Since my arrival in the college, my life has been full of excitement & inspiration. I feel confident with the knowledge given in lectures & practicals in the labs.

### Gurpreet Kaur ECE 6th

The Personality development programme was very helpful to me. It made me more confident & enhanced my communication skills which lead to my success in interview during campus placement drive.

### Amandeep Kaur ETE 6th

I believe that I made the right decision by choosing BGPC. I am grateful to my faculty & management for their help & support throughout. They have patiently attended all my queries & provided me with satisfactory solution.

### Amritpal Singh CE 6th

The industry -institute interaction during the course offered me a lot of knowledge about how to apply my technical skills in real life projects.

### Gurshaan Gill, CE 6th

Everyday brought something different & new .Apart from academics, I was given an opportunity to participate in Technical festivals & Athletic meets.
